

BEACON CONTRACT DOCUMENT PAGE

This document (the “**Beacon Contract Document Page**”) contains a representation of the current FIT Contract Cover Page for the Supplier’s FIT Contract, including any contract amendments in effect as may have been incorporated at various times since the Contract Date. The terms set out on the FIT Contract Cover Page may be subject to amendment in accordance with the FIT Contract throughout its duration. Please note that this Beacon Contract Document Page does not display the wording of any original or former contract details, terms, or conditions once amended in accordance with the FIT Contract. The information displayed on this Beacon Contract Document Page does not vary or amend the FIT Contract. In the event there is any conflict or inconsistency between the information contained on this Beacon Contract Document Page and the executed copy of the FIT Contract (including any amendments), the provisions of the executed copy prevail. The Supplier is responsible for keeping accurate records of the FIT Contract, including any amendments, and supplementing the information set out in this Beacon Contract Document Page with any such amendment details in response to any third party request (including inquiries related to finance, tax, or legal matters) for its FIT Contract records. Capitalized terms used herein have the meanings ascribed thereto in the FIT Contract, and “including” means “including without limitation”.

21. FIT RULES

Applicable version: 1.5.0

22. INCORPORATED SCHEDULES, APPENDICES AND EXHIBITS

All applicable schedules, appendices, and exhibits incorporated into your FIT Contract, including the General Terms and Conditions, were provided to you electronically in pdf format with the original Offer Notice for this FIT Contract. For a complete listing of all schedules, appendices, and exhibits applicable to this FIT Contract, please refer to the original executed FIT Contract Cover Page and any relevant amendments, as applicable.

For reference, standardized FIT Contract documents for each contract version, including applicable: i) General Terms and Conditions; ii) Technology-Specific Provisions; iii) Metering and Settlement; and iv) Standard Definitions can be found on the IESO Website under the “FIT Archives” heading.

For valuable consideration, the OPA and the Supplier hereby mutually agree to be bound by the terms and conditions set out in this FIT Contract and the Schedules, Appendices and Exhibits attached hereto as noted in item 22 above (the “**Agreement**”). Each of the Sponsor and the Supplier confirms that it has received a copy of and has reviewed this Agreement, and that its representations and warranties set out herein are true and correct.

IN WITNESS OF WHICH, and intending to be legally bound, the Parties have executed this Agreement by the undersigned duly authorized representatives as of the date first stated above.
