Dear Ms. Long:

**Re: Ontario Energy Board (OEB) Staff Submission
Lakefront Utilities Inc.
Cost of Service
OEB File Number: EB-2021-0039**

Lakefront Utilities Inc. filed a Cost of Service application with the OEB on April 30, 2021 for electricity distribution rates to be effective January 1, 2022. A Settlement Conference was convened on August 10 and August 11, 2021 between Lakefront Utilities and the approved intervenors in this case. A settlement proposal between Lakefront Utilities Inc. and the approved intervenors in this case was filed on September 17, 2021. OEB staff filed a submission on September 24, 2021 and noted that there was an incorrect balance in Account 1550. A revised Settlement Proposal was filed on October 22, 2021 that addressed the concerns noted in OEB staff's submission.

OEB staff has reviewed the revised settlement proposal and will not be filing any additional submission on this matter.

Yours truly,
