Dear Mr. Torul:

**Re: Enbridge Gas Inc. (Enbridge Gas)  
2022 Rate Application on ICM Funding Request  
OEB File Number: EB-2021-0148**

On June 30, 2021, Enbridge Gas filed an application (EB-2021-0147) with the Ontario Energy Board (OEB) to adjust its rates effective January 1, 2022, referred to as Phase 1. The application dealt with the price cap, other pass-through cost adjustments, and the Parkway Delivery Obligation adjustment as Phase 1. On October 15, 2021, Enbridge Gas filed Phase 2 of its 2022 rates application, including evidence in relation to the request for Incremental Capital Module (ICM) funding and a progress report on the implementation of unaccounted for gas.

Further to the OEB's acknowledgment letter dated October 19, 2021, the OEB has completed its preliminary review of your 2022 Rate Application related to the ICM Funding Request and will now commence the processing of your application. The next steps will be communicated in due course.

Pursuant to Chapter 1 of the [OEB's Filing Requirements For Electricity Distribution Rate Applications - 2021 Edition for 2022 Rate Applications](#), Enbridge Gas has confirmed that the documents it has filed in support of the above referenced application do not include any personal information (as that phrase is defined in the *Freedom of Information and Protection of Privacy Act*) that has not otherwise been redacted.

Enbridge Gas Inc. is reminded that it is responsible for ensuring that the documents it files with the OEB, such as its evidence, responses to interrogatories and any other supporting documentation, do not include personal information (as that phrase is

defined in the *Freedom of Information and Protection of Privacy Act*), unless filed in accordance with rule 9A of the OEB's *Rules of Practice and Procedure*.

Please direct any questions relating to this application to the Case Manager, Petar Prazic, at [petar.prazic@oeb.ca](mailto:petar.prazic@oeb.ca).

Yours truly,

*Original Signed By*

Christine E. Long  
Registrar
