Dear Mr. Wilde:

**Re: Canadian Niagara Power Inc. (Canadian Niagara Power)
2022 Cost of Service Application
OEB File Number: EB-2021-0011**

As provided for in Procedural Order No. 1, dated August 13, 2021, parties convened in a settlement conference on October 12-14, 2021. On October 15, 2021, Canadian Niagara Power filed a progress letter stating the parties were working towards filing a complete settlement agreement on all issues by the filing deadline of November 8, 2021.

On November 8, 2021, the OEB received a request from Canadian Niagara Power for an extension to the deadline date from November 8, 2021 to November 17, 2021. The reason for the delay was due to the cost of capital update on October 28, 2021.

Based on the reasons provided, the OEB will grant Canadian Niagara Power an extension to file a settlement agreement by November 17, 2021. All other dates will be rescheduled once Canadian Niagara Power's filing is received.

Yours truly,
