2021 Third Party Access Application  
OEB File Number: EB-2021-0292**

Further to the Ontario Energy Board's (OEB) acknowledgment letter dated November 1, 2021, the OEB has completed its preliminary review of your 2021 Third Party Access application and will now commence the processing of your application. The next steps will be communicated in due course.

By letter dated November 10, 2021, the IESO in its capacity of the Smart Metering Entity confirmed that the documents it has filed in support of the above referenced application do not include any personal information (as that phrase is defined in the *Freedom of Information and Protection of Privacy Act*) that has not otherwise been redacted.

The IESO, in its capacity as the Smart metering Entity is reminded that it is responsible for ensuring that the documents it files with the OEB, such as its evidence, responses to interrogatories and any other supporting documentation, do not include personal information (as that phrase is defined in the *Freedom of Information and Protection of Privacy Act*), unless filed in accordance with rule 9A of the OEB's *Rules of Practice and Procedure*.

Please direct any questions relating to this application to Michael Bell, Project Advisor, Application Policy and Conservation, at [Michael.Bell@oeb.ca](mailto:Michael.Bell@oeb.ca).

Yours truly,
