Dear Ms. Long:

**Re: Canadian Niagara Power Inc. ("CNPI") – 2022 Cost of Service Application
Request for Extension – Settlement Proposal
(EB-2021-0011)**

On October 15, 2021, CNPI informed the Ontario Energy Board ("OEB") that, as a result of the October 12-14, 2021 settlement conference, CNPI and the parties are working towards filing a complete settlement agreement on all issues by November 8, 2021. On November 8, 2021, CNPI requested an extension to submit a full settlement proposal until November 17, 2021, which the OEB granted.

CNPI is writing to seek a further extension for the filing of a Settlement Proposal to November 22, 2021. During the drafting of a Settlement Proposal an issue arose that required the parties to reconvene to consider the new issue in the context of the settlement negotiations. While CNPI believes the new issue will be resolved in the context of the Complete Settlement Proposal the parties intend to file, the parties now require additional time to complete the drafting of the Settlement Proposal.

Please direct any questions or correspondence in this matter to the undersigned.
