Dear Mr. Wilde:

**Re: Canadian Niagara Power Inc. (Canadian Niagara Power)  
2022 Cost of Service Application  
OEB File Number: EB-2021-0011**

By letter dated November 17, 2021, Canadian Niagara Power advised of a further delay in filing a complete settlement proposal due on the same day. Canadian Niagara Power is asking for a second extension of five days. As explained in the letter, an issue arose during the drafting phase of the settlement proposal where parties reconvened to discuss the new issue. The extra time is needed to complete the drafting of the settlement proposal.

The OEB has considered the reasons for a further extension request and will grant Canadian Niagara Power an extension to file a settlement proposal by November 22, 2021. As a reminder, all other dates will be rescheduled once the settlement proposal is filed on the record.

Yours truly,
