TO PROVIDE ADDITIONAL INFORMATION RELATED TO ADDITIONAL HIRES  
FOR SPECIFIC WORK PROGRAMS

**Response**

As noted by Ms. McKellar on pages 55 and 56 of the transcript [Volume 3, July 10, 2008], due to Hydro One's integrated workforce it is not possible to relate all planned 2008 hires of staff to specific Distribution work programs or projects. Consequently, examples of planned hires in 2008 are provided below for several functions which are essentially Distribution business.

<b>Distribution Work Program</b>	<b>Planned Hires (regular &amp; non-regular staff) by Year End 2008</b>
Distributed Generation	10
Smart Meters	34
Vegetation Management	520
