Dear Ms. Long:

**RE: Wataynikaneyap Power LP  
Draft Revenue Requirement and Charge Determinant Order  
Application for 2022 Electricity Transmission Rates and Other Charges  
Board File No.: EB-2021-0134**

We are counsel for the Applicant in the above referenced matter. On November 16, 2021, the Applicant filed a Draft Revenue Requirement and Charge Determinant Order (the "Draft Order") in accordance with the Ontario Energy Board's (OEB) September 30, 2021 decision on 2022 transmission rates and other charges for Wataynikaneyap Power LP (WPLP). The decision provided parties with one week to provide comments on the Draft Order. The only comments on the Draft Order were filed by OEB staff on November 23, 2021. OEB staff expressed no concerns with any of the detailed calculations or supporting materials provided by WPLP in the Draft Order. While the OEB's decision provides WPLP with an opportunity to file responding comments, WPLP hereby advises that, in the circumstances, it does not intend to file any further comments on the Draft Order or in response to those filed by OEB staff.

Yours truly,

Jonathan Myers,
