RE: 2022 IRM Rate Application EB-2021-0043

Dear Ms. Long:

Niagara Peninsula Energy Inc. ("NPEI") is in receipt of the Board's Draft Decision and Rate Order in respect of NPEI's 2022 IRM Rate Application (EB-2021-0043).

In accordance with the cover letter, NPEI has reviewed the Draft Decision and Rate Order and has identified one item to bring to the Board's attention:

The second paragraph on page 4 of the Draft Decision includes the following: *"Inserting these components into the formula results in a 1.90% increase to Niagara Peninsula Energy's rates: $3.00\% = 3.30\% - (0.00\% + 0.30\%)$."* NPEI notes that the reference to 1.90% in this sentence should actually be 3.00%.

NPEI has not identified any other concerns.

Yours truly,
NIAGARA PENINSULA ENERGY INC.

Paul Blythin
Director of Regulatory Affairs
