RE: EB-2021-0149 – FRPO Submissions on Remaining Issue

We are writing on behalf of the Federation of Rental-housing Providers of Ontario in response to the Board's Procedural Order No.2 in respect of the remaining issue of transition investments as applied to 2020 Tax Variance Deferral Account.

FRPO has had opportunity to review the draft submissions of LPMA and SEC and was part of the exchange of perspectives by ratepayer representatives to this proceeding. We agree with and support the reasoning and considered submissions of LPMA and SEC and for efficiency will not be reiterating.

Respectfully Submitted on Behalf of FRPO,

Dwayne R. Quinn
Principal
DR QUINN & ASSOCIATES LTD.
