Dear Mr. Jefferies:

**Re: EB-2021-0055 Renfrew Hydro Application for 2022 Rates**

Please be advised that the Ontario Energy Board has completed its review of your 2022 Price Cap IR application, filed on August 18, 2021.

Attached to this letter is a draft of the OEB's decision and rate order, for your prompt review. Within seven days, please advise the OEB, in writing, whether or not you have identified any concerns (e.g. typographical or transposition errors, omissions, need for clarification, etc.) with respect to the draft decision and rate order.

If the OEB receives confirmation that you have reviewed the document and have no further comment, the draft decision and rate order will become final. Conversely, if you bring any concerns to the OEB's attention, the OEB will consider them prior to issuing a final decision and rate order in due course.

Your comments or confirmations should be directed to the attention of the Registrar and be received no later than 4:45 p.m. on the required date.

Yours Truly,

*Original Signed By*
