Dear Christine Long:

**Re: Enbridge Gas Inc.
Ontario Energy Board File: EB-2020-0293
St. Laurent Ottawa North Replacement Project
Interrogatory Response Extension Request**

In its Procedural Order No.1, the Ontario Energy Board (“OEB”) established a procedural timeline that included a deadline for OEB Staff and intervenors to file interrogatories by November 22, 2021, and a deadline for Enbridge Gas Inc. (“Enbridge Gas” or the “Company”) to file responses to interrogatories with the OEB and to serve onto all intervenors by December 6, 2021. Enbridge Gas subsequently received interrogatories numbering over 300 from approved intervenors in this proceeding, covering a very broad degree of topics and in many cases dealing with overlapping issues.

Given the magnitude of questions posed and their scope, the Company requests that the OEB grant an extension to the procedural timeline that would extend Enbridge Gas’s deadline to file responses to interrogatories from December 6, 2021 to December 13, 2021.

Please contact the undersigned if you have any questions.

Yours truly,

Adam Stiers
