On April 1, 2020 the OEB issued its Decision and Order for the above noted proceeding which included, as Schedule B, several Conditions of Approval.

In accordance with Section 2. (b) ii. of the Conditions of Approval, Enbridge Gas is to provide the OEB with notice in writing of the date on which construction was completed, no later than 10 days following the completion of construction. Enbridge Gas is therefore advising the OEB that construction was complete on December 3, 2021.
