We are counsel to Canadian Manufacturers and Exporters (“CME”) in the above-noted proceeding. Pursuant to Procedural Order No. 1 dated September 17, 2021, the Board asked intervenors to provide a description of the areas they will focus on during the technical conference, and their time estimates. CME intends to focus on the following areas during the technical conference:

- 1) Transmission system plan – 25 minutes;
- 2) Distribution system plan – 20 minutes; and
- 3) Customer engagement (questions for Innovative Research Group) – 15 minutes.

Yours very truly
