Grimsby Power Inc. 2022 Cost of Service Application for Electricity Distribution Rates
effective January 1, 2022 (the “Application”)**

Dear Ms. Long,

RE: EB-2021-0027 Grimsby Power Inc. 2022 Cost of Service Proceeding (the “Proceeding”)

We are writing to seek an extension to the deadline for filing a settlement agreement in the above noted Proceeding.

As confirmed by letter dated November 12, 2021 the parties are working towards drafting a complete settlement agreement, with an original filing deadline of December 6, 2021. While the Parties continue to work towards the drafting of a complete settlement agreement, the Parties believe that some additional time will be required in order to complete the agreement for filing. Accordingly the Parties request an extension to the settlement agreement filing deadline to December 10, 2021.

If there are any questions with respect to our request believe direct them to the undersigned.

Yours Truly,

Amy La Selva
