Dear Ms Long:

Re: EB-2016-0201 - OEB Stakeholder Meeting: Regulated Price Plan Pilot Meta-Analysis Final Report

I am a consultant to the Consumers Council of Canada ("Council"). I would like to attend the Stakeholder Meeting on December 16, 2021, regarding the Ontario Energy Board's ("OEB") Regulated Price Plan ("RPP") Pilot Final Report on behalf of the Council. The Council is a public-interest entity which represents the interests of residential consumers in Ontario. The Council is interested in understanding the outcome of the RPP pilots.

On March 15, 2020, the Council filed with the Board, pursuant to Rule 22.03 of the Ontario Energy Board's Rules of Practice and Procedure, a document describing the Council, its mandate and objectives, membership, the constituency represented, and the types of activities the Council carries out. In addition, we provided a list of the individuals authorized to represent the Council in OEB proceedings.

The nature and scope of the Council's intended participation in this consultation process will be the following:

- To prepare for and attend the proposed stakeholder event;

The Council intends to ask for an order of costs in this consultation process. The Council has participated in many electricity proceedings over a long period of time as well as OEB consultation processes. In all of those proceedings and consultation processes the Council has been recognized as being eligible for an award of costs. In the absence of an award of costs the Council would be unable to participate in this process.

Copies of all correspondence related to this proceeding be sent to the following consultant:

Please let us know if any further information from the Council is required at this time.

Yours truly,
