Dear Ms. Richardson:

**Re: Hydro One Networks Inc.
Bi-annual Report on the Development of the Waasigan Transmission Line
Project
Ontario Energy Board File No.: EB-2019-0151**

The Ontario Energy Board (OEB) acknowledges receipt of the bi-annual report, dated October 21, 2021, from Hydro One Networks Inc. (Hydro One). The bi-annual report provides details on the development of the Waasigan Transmission Line Project for the period from April 1, 2021 to September 31, 2021.

In the report, Hydro One advises that it has received requests for added consultation and has been meeting with the Ministry of the Environment, Conservation and Parks to address such requests. Hydro One states that the issue will be further defined during the next reporting period. As a result, Hydro One advises that it will be able to provide further information on this matter in its next bi-annual report.¹

Hydro One is requested to update the OEB as soon as further information regarding the issue of added consultation is available. Moreover, the OEB requests that Hydro One provide detailed information on any cost and schedule impacts resulting from this issue as soon as the information is available.

¹ The report for the period from October 1, 2021 to March 31, 2022.

Please direct any questions relating to this matter to David Martinello at
