Dear Ms. Bebbington:

**Re: EB-2021-0019 Application for 2022 Rates**

The Ontario Energy Board (OEB) provided a draft Decision and Rate Order and a draft Tariff of Rates and Charges in relation to the above-noted proceeding on December 3, 2021. On December 7, 2021, in its comments on the drafts, ENWIN Utilities Ltd. noted a series of comments to the draft Decision and Rate Order, Tariff of Rates and Charges, and IRM Rate Generator Model.

All comments provided by ENWIN Utilities Ltd. have been incorporated in the Decision and Rate Order, Tariff of Rates and Charges, and IRM Rate Generator Model.

The OEB has now issued a final Decision and Rate Order, together with a final Tariff of Rates and Charges. Copies of these documents are enclosed with this letter.

Yours truly,
