Dear Ms. MacKinnon:

**Re: Hydro One Sault Ste. Marie Limited Partnership
2022 Transmission Revenue Requirement Application
Ontario Energy Board File Number: EB-2021-0186**

The OEB provided a draft Decision and Order in relation to the above-noted proceeding on December 9, 2021. On December 13, 2021, Hydro One Sault Ste. Marie provided comments on the draft, noting that the date for footnote 6 should be December 17, 2020, instead of December 17, 202 and that in Table 3 there was a period where there should be a comma in the total revenue requirement (“\$42.426,118” should be “\$42,426,118”). Both requested changes were made to the draft Decision and Order.

The OEB has now issued a final Decision and Order. A copy of this document is enclosed with this letter.

Yours truly,
