I will be financially affected by the amalgamation of these two entities which will affect the amount of delivery charges being levied by them and included in my hydro bills.

I am interested in submitting enquiries to the Applicants concerning the application and receiving documents filed and submission made by the parties in this matter, with the exception of those that are available on the Board's website.

I am requesting Intervenor status in order follow the process that takes place and in doing so to ensure that my interests as a consumer of electricity are being protected.
