DECISION AND ORDER

H2O Power Holding Limited Partnership filed an application on October 27, 2021 with the Ontario Energy Board (OEB), pursuant to section 60 of the *Ontario Energy Board Act* (OEB Act), for a renewal of its agent only large volume electricity retailer licence. The applicant intends to continue acting as an agent for a licensed retailer with respect to retailing electricity to large volume consumers in Ontario.

This Decision and Order is being issued by the Delegated Authority without a hearing pursuant to section 6(4) of the OEB Act.

After considering the application and assessing the applicant's technical capability, financial viability and conduct, the OEB finds that it is in the public interest to grant the application and issue an agent only large volume electricity retailer licence to H2O Power Holding Limited Partnership.

IT IS ORDERED THAT:

1. The application for an agent only large volume electricity retailer licence is granted, on such conditions as are contained in the attached licence.
