Non-objection to Claimed Costs  
(EB-2021-0011)**

---

CNPI is providing this letter pursuant to the Order in Decision EB-2021-0011 for CNPI to file with the Ontario Energy Board and forward to Intervenor any objections to the claimed costs by January 17, 2022. Three cost claims were filed by January 10, 2021. These cost claims were from the School Energy Coalition (SEC), the Vulnerable Energy Consumers Coalition (VECC), and the Consumers Council of Canada (CCC).

CNPI confirms that it has no objections to the costs claimed by SEC, VECC or CCC.

Please direct any questions or correspondence in this matter to the undersigned.
