Dear Ms. Marconi,

EB-2021-0110 – Custom IR Application (2023-2027) for Hydro One Networks Inc. Transmission and Distribution (“Hydro One”) – Motion Hearing

At Wednesday’s motions day in respect of the above-noted proceeding, Hydro One will seek clarification of the possible schedule following the settlement conference. In particular, under the current schedule:

The hearing will commence:

- On March 28 if partial settlement is achieved
- On February 22 if settlement is not achieved

The above assumes that a ‘blue page’ update to the evidence to reflect 2021 actuals is not required.

Clarification of these dates and procedural steps is fundamentally important to Hydro One’s planning and coordination of witnesses and resources

This filing has been submitted electronically using the OEB’s Regulatory Electronic Submission System (RESS).

Sincerely,

A handwritten signature in black ink that reads "Kathleen Burke".

Kathleen Burke
