Dear Ms. Marconi:

**Re: Ontario Energy Board (OEB) Staff Evidence
Enbridge Gas Inc. – 2022-2027 Natural Gas Demand Side Management Plan
and Framework
OEB File Number: EB-2021-0002**

OEB staff is writing to inform the OEB that a portion of interrogatories directed to OEB staff's expert evidence produced by Optimal Energy Inc. was inadvertently not included in the package of responses OEB staff filed on Wednesday, January 19, 2022. The interrogatories in question were filed by Enbridge Gas Inc. in relation to Exhibit L.OEB Staff.2; Optimal Energy's Program Review Report.

OEB staff has instructed Optimal Energy to make every effort to expeditiously provide complete responses to these outstanding interrogatories. OEB staff expects that responses to the outstanding interrogatories will be filed no later than Thursday, January 27, 2022.

We apologize for this oversight and appreciate the OEB's understanding.

Yours truly,

Josh Wasylyk
