**Re: EB-2021-0002 Enbridge Multi-Year Demand Side Management Plan  
Pollution Probe Letter on Presentation Day**

Dear Ms. Marconi:

In accordance with Procedural Order No. 6 for the above-noted proceeding, Pollution Probe is providing notice that it intends to make a presentation on the Presentation Day. Pollution Probe intends to present for 15 minutes and focus on relevant customer, community and policy requirements for the 2023-2027 DSM portfolio and adjustments required. Pollution Probe also intends to briefly summarize stakeholder input received from Pollution Probe partners, including Ontario municipalities.

Respectfully submitted on behalf of Pollution Probe.
