Dear Mr. Pattani:

**Re: Intervention and Cost Eligibility  
Generic Hearing on Uniform Transmission Rates-Related Issues and the  
Export Transmission Service Rate  
OEB File Number: EB-2021-0243**

This letter is in response to your letter dated January 27, 2022, requesting intervenor status in the above-referenced proceeding.

In your letter of intervention, you state that your interest in this proceeding relates to the issue of Export Transmission Rates and that you have a background in the issues in this proceeding. You note that you wish to participate in an individual capacity and will not be seeking an award of costs for participating in this proceeding. You also note that your request for intervenor status is being filed after the due date because your initial intention was to participate as an Observer.

Mr. Pattani, you are approved as an intervenor. You shall accept the record of the proceeding as it stands to this point and should refer to the OEB's Procedural Order No.1, dated November 30, 2021, for the schedule for the hearing. You are not eligible to apply for cost awards.

Yours truly,

Nancy Marconi  
Acting Registrar
