Dear Ms. Marconi:

**Re: EB-2021-0110 Hydro One Networks Inc. 2023-2027 Custom Rate Application
– Filing of Revised Interrogatory Responses by Pacific Economics Group
Research LLC to Hydro One Networks Inc.'s Interrogatories**

OEB staff filed on February 2, 2022 the responses prepared by Pacific Economics Group Research LLC (PEG) to the interrogatories filed by Hydro One Networks Inc. (Hydro One) and several intervenors.

Subsequent to filing, PEG found it necessary to revise and correct a small number of its responses to interrogatories posed by Hydro One. On behalf of PEG, OEB staff is filing a revised file of interrogatory responses to Hydro One, with the impacted interrogatory responses marked in blackline. The specific interrogatories for which PEG revised its responses are Hydro One – 3, 5, 13, 15 and 21. The changes from the original versions of those responses are shown in the enclosed revised versions.

OEB staff and PEG regret any inconvenience this may cause. While PEG made efforts to respond accurately in the initial responses to all parties, it had to respond to numerous interrogatories, many with sub-parts, in a tight schedule.
