Good afternoon Alexander

Lakeland is following up on your question about our decision on interim rates. As this is Lakeland's first full year of harmonized rates and the 2022 RRR filing will be the first filing of combined information, Lakeland would like to request interim disposition only. The model for both 2021 rates as well as 2022 rates, had small glitches with what information it was pulling for billing determinants. The 2022 model has now been corrected with the assistance of your team however we are still working though some concerns with the 2021 model. We would like to have two years of clean, harmonized data before requesting final disposition (2022 IRM and 2023 IRM).

I hope this helps in clarifying our position.

Best regards,

Margaret
