Dear Ms. Marconi:

**Re: EB-2020-0290 – Ontario Power Generation Inc., 2022-2026 Payment Amounts  
Quinte Manufacturers Association Cost Claim - Refiling**

Further to our letter to you dated February 17, 2020, the Quinte Manufacturers Association (“QMA” or “Association”) advised that it was unable to properly file its cost claim for the above-noted proceeding through the new OEB online system for filing cost claims. A RESS filing confirmation number (#46554) was received, however all the necessary documentation could not be loaded correctly because it appears that the filing system was unable to accept hourly costs that are claimed at a rate less than the \$330.00/hour rate set by the Board. Nevertheless, the cost claim documents were then forwarded to Mr. J. Pickernell, Manager, Applications Administration.

The QMA has been in touch with Board Staff in an effort to resolve the problem which we understand is being addressed. As a result, the QMA has been advised by Board Staff (Ms. C. Wong) that the Association’s cost claim will be processed using the old cost claim forms which are completed and attached as requested.

If you have any questions concerning the attached, please contact the undersigned at (c) 613-845-5563 or [mdmcl@kos.net](mailto:mdmcl@kos.net). Thank you for your assistance in this matter.

Sincerely,

Michael McLeod  
for  
Quinte Manufacturers Association
