Dear Ms. Marconi:

**Re: EB-2020-0230 – Independent Electricity System Operator  
2020-2021 - Revenue Requirement and Fees  
Response of the Vulnerable Energy Consumers Coalition (VECC)**

---

In Procedural Order No. 4 the Board provided the opportunity for parties to the settlement agreement in EB-2020-0230 to make submissions on the IESO's proposed withdrawal of its request for an increase in the registration fee from the currently approved "up to \$10,000 per submission" for electricity supply and capacity procurements, including ancillary services, to "up to \$50,000".

VECC has no objection to the proposal of the IESO to maintain the current fee structure.

Yours truly,

*John Lawford*

Counsel for VECC
