Attention: Nancy Marconi, Registrar

Dear Ms. Marconi:

**Re: OEB Staff Interrogatories
Application for 2020 Demand Side Management (DSM) Deferral and
Variance Account (DVA) Disposition (Application)
OEB File Number: EB-2022-0007**

On February 25, 2022, the Ontario Energy Board (OEB) issued [Procedural Order No. 1](#) (PO No. 1). PO No. 1 established dates for interrogatories, interrogatory responses, and submissions.

OEB staff has reviewed the Application and will not be filing interrogatories. OEB staff notes that as part of PO No. 1, the OEB provided clear instructions related to the scope of this proceeding and that issues related to future DSM programs, plans or policy guidance will not be considered. Rather, the focus should be on those items that directly relate to the determination of the disposition and allocation of the 2020 DSM deferral and variance account balances.

OEB staff reviewed the DSM DVA balances filed in the Application and has no interrogatories for the Applicant.

Yours truly,

Michael Bell
Senior Advisor, Application Policy and Conservation
