**Regarding: EB-2021-0052 – Ottawa River Power Corporation 2022 Cost of Service
Application for rates effective May 1, 2022 (the “Application”)**

Dear Ms. Marconi,

On February 25, 2022, Ottawa River Power Corporation ("ORPC") submitted the Settlement Proposal to the Ontario Energy Board ("OEB") pertaining to its 2022 Cost of Service Application for rates effective May 1, 2022. It was ORPC's intention to file the Clarification Question Responses with the Settlement Proposal, however the responses were inadvertently omitted from the filing. ORPC has therefore included the Clarification Questions Responses as herein.

Please direct any questions or correspondence in this matter to the undersigned.

Yours truly,

Justin Allen
