Dear Ms. Marconi:

Re: EB-2022-0094: Ontario Energy Board (OEB) Motion to Consider Price Paid by Natural Gas Distributors for Natural Gas Produced in Ontario.

Industrial Gas Users Association (IGUA) Comment on Draft Issues List.

We submit that the two proposed issues as framed by the Board in its Notice of Hearing provide appropriate guidance for the balance of this proceeding. In particular, the issues as proposed properly frame the scope of the OEB's jurisdiction related to natural gas pricing; i.e. to approve prices charged to, or principles to be applied to cost recovery by regulated distributors from, gas supply customers, as distinct from prices to be paid by gas distributors to gas suppliers.

Yours truly,

Ian A. Mondrow
