Dear Mr. Murray:

Re: EB-2022-0081 Ontario Energy Board – Natural Gas Facilities Handbook Draft – Costs for Chiefs of Ontario

Please find attached the cost claim of Chiefs of Ontario (COO) in the above-referenced proceeding (the Proceeding), filed pursuant to the Board's letter dated February 3, 2022.

COO respectfully requests an award of 100% of its eligible costs, given its strategic and principled participation in the Proceeding, reflecting the unique interests of First Nations across Ontario. COO submits that this request is supported by the following considerations:

1. COO participated effectively, taking a coordinated approach to the issues;
2. COO participated responsibly and made reasonable efforts to ensure that its participation was not unduly repetitive and was focused on relevant and material issues;
3. COO did not engage in conduct that unnecessarily lengthened the process and met all timelines; and
4. COO contributed to the Board's better understanding of issues in the Proceeding.

We trust that this approach maximizes efficient use of resources and the right of otherwise unrepresented First Nations to be heard in a manner that is consistent with the Board's mandate and statutory objectives.

COO respectfully requests a full award of eligible costs.

Best regards,
