

Nancy Marconi  
Registrar  
Ontario Energy Board  
2300 Yonge Street Toronto, ON  
M4P 1E4

March 14, 2022

Dear Ms. Marconi,

Re: 2022 Annual IR Index Application for Electricity Distribution Rates (EB-2021-0049)

The Ontario Energy Board (the "Board") issued its Draft Decision and Rate Order in the above-referenced proceeding on March 9, 2022. Orangeville Hydro Limited (Orangeville Hydro) has reviewed the models and Tariff of Rates and Charges set out in Schedule A of the Draft Decision and Rate Order for accuracy and completeness and has the following comments:

**Page 1**

Please remove Natural Gas and replace with Electricity.

**Page 8 – Group 1 Deferral and Variance Accounts**

In the second paragraph, the Group 1 balance eligible for disposition should be changed from \$732,130 to \$1,001,144. Additionally, the total debit claim of \$.0029 per kWh should be changed to \$.0039 per kWh.

**Tariff of Rates and Charges**

Orangeville Hydro confirms that the Tariff of Rates and Charges is complete and accurate based on the Board's Decision.

Yours truly,

A handwritten signature in black ink that reads "Amy Long".
