ONTARIO ENERGY BOARD

EB-2022-0072

IN THE MATTER OF a consultation for the review of the Annual Update to the five-year
Gas Supply Plan of Enbridge Gas Inc.

**REQUEST FOR PARTICIPANT STATUS
OF
THE ONTARIO PETROLEUM INSTITUTE**

1. The Ontario Petroleum Institute (OPI) hereby applies for Participant Status in this proceeding pursuant to the recently published letter of invitation of the Ontario Energy Board (OEB) Notice in the above-noted matter.
2. The OPI is an association of Ontario-based natural gas and oil producers, the members of which produce natural gas into the regulated local pipeline networks of Enbridge Gas Inc. (EGI) and EPCOR pursuant to various system gas contractual arrangements. The OPI headquarters are located in London Ontario.
3. OPI's membership has a direct interest in the review of EGI's Gas Supply Plan. OPI's involvement in the five year Gas Supply plan identified issues to the Board that impact our members. We appreciate the Board's invitation to continue our involvement through the Update Consultation on behalf of our members.
4. The OPI hereby requests that it receive one copy of the evidence and submissions of any parties to this proceeding, including any notices and correspondence that are filed. This request extends to any all procedural communications and party's submissions. The OPI's preference is to receive all filings electronically so it can distribute these to its membership during this proceeding.
5. Communications relating to this proceeding should be sent to:

Scott Lewis, Chair, OPI
slewis@lagasco.ca 519.871.0876

And to:

Peter Budd, Vice-Chair, OPI
pbudd.bei@rogers.com
647.616.5400

6. The OPI will not be seeking an award of costs in this proceeding.

DATED at the City of London, in the Province of Ontario, this 25th day of March 2022.

ONTARIO PETROLEUM INSTITUTE
