Dear Nancy Marconi:

**Re: Enbridge Gas Inc. (Enbridge Gas)  
Ontario Energy Board (OEB) File: EB-2021-0002  
Multi-Year Demand Side Management Plan (2022-2027)  
Presentation Day Materials**

---

In accordance with the OEB's Procedural Order #6, enclosed please find the following for the upcoming Presentation Day scheduled for March 24, 2022:

- Presentation of Enbridge Gas as well as an accompanying compendium
- Presentation of First Tracks Consulting

The Compendium to Enbridge Gas's presentation has been provided for reference and none of the material is new. Rather it is intended to provide easy reference during the presentation as several items would be difficult to read in presentation format.

The Compendium is intended to be helpful to the OEB Panel and interested parties. It has a Table of Contents, which will be useful to those referring to a hardcopy, as well as a Compendium Guide, which will be useful to those using a digital copy. To best use the digital copy, please click the links to navigate to the slides or reference material, and click "Return to Guide" at the top of each page to go back to the Compendium Guide. Fillable text boxes are available for note-taking on pages 2-22.

Please contact the undersigned if you have any questions.

Yours truly,

Asha Patel
