Dear Ms. Marconi:

Re: EB-2022-0003 Enbridge Gas NPS 20 Waterfront Relocation Project (the "Project")

The City of Toronto ("Toronto") is hereby applying to be an Intervenor in the above-noted application. Toronto's interest in this proceeding arises from the potential impacts of the Project on infrastructure and lands within its jurisdiction and/or ownership. The Project would be built in Toronto.

The OEB granted Toronto intervenor status in Enbridge Gas Inc. ("Enbridge")'s earlier, withdrawn application pertaining to the Keating Bridge pipeline (EB-2020-0198, [Procedural Order 1](#)). In addition, as noted in Enbridge's application materials, Toronto was the applicant in the *City of Toronto v Enbridge Gas* Superior Court of Justice matter, also pertaining to the Keating Bridge.

Toronto intends to participate in the proceeding as necessary, and may submit evidence, argument or interrogatories, and/or cross-examine witnesses. Toronto does not intend to request an oral hearing, nor does it intend to seek an award of costs.

Toronto requests that copies of all materials filed in this proceeding be served on it as follows:
