Re: Framework for Review of Intervenor Processes and Cost Awards
AMPCO Cost Eligibility Request
Board File No. EB-2022-0002

Dear Ms. Marconi:

I am writing pursuant to the OEB's letter dated March 31, 2022 regarding the above proceeding to request intervenor status and cost eligibility.

AMPCO's Interest

AMPCO is a not-for-profit consumer interest advocacy organization. AMPCO's members represent Ontario's major industries: forestry, chemical, mining and minerals, steel, petroleum products, cement, automotive and manufacturing and business consumers in general. AMPCO members are major investors, major employers and a major part of communities in which we operate, across Ontario.

AMPCO and its member companies are well known to the Board. AMPCO participates in many proceedings, working groups, consultations and initiatives of the Ontario Energy Board in which matters relevant to the sector and Ontario's large electricity consumers are being addressed.

AMPCO intends to review the OEB's March 2022 Framework for Review of Intervenor Processes and Cost Awards and provide its views on the issues identified by the OEB.

We respectfully request that the Board please confirm AMPCO's eligibility for an award of costs in this matter.
