Dear Ms. Marconi:

Re: Reliability and Power Quality Review Working Group (EB-2021-0307)

We are counsel to the School Energy Coalition ("SEC"). We write to nominate Mark Rubenstein to the Reliability and Power Quality Review working group.

Mr. Rubenstein has been involved in the review of many rate applications in the past few years as counsel to SEC, and has taken a leadership role amongst ratepayer group intervenors in the review of electricity distribution system plans which involve review and consideration of reliability metrics and information. He also has extensive experience related to utility benchmarking, including as a member of the OEB's Asset and Program Based Benchmarking Working Group (EB-2018-0278). Mr. Rubenstein's experience and ratepayer perspective would be a valuable addition to the working group for this important initiative.

Mr. Rubenstein can be contacted at:
