**Re: Enbridge Gas Inc. 2022 IRM Application  
OEB File Number: EB-2021-0148  
Errata for April 12, 2022, Decision and Order**

The OEB issued a Decision and Rate Order for Enbridge Gas Inc. on April 12, 2022. The Decision and Order contained a typographical error in the list of intervenors within the document. The Decision and Order omitted City of Kitchener (Kitchener), Six Nations Natural Gas (SNNG), and TransCanada PipeLines Limited (TCPL) from the list of intervenors. The OEB is therefore issuing an updated Decision and Order.

Pursuant to its powers under Rule 41.02 of the OEB's Rules of Practice and Procedure, the OEB may at any time, without notice or a hearing of any kind, correct a typographical error, error calculation or similar error made in its orders or decisions.

The OEB has revised the Decision and Order to reflect the corrected list of intervenors on page 2. The attached revised Decision and Rate Order supersedes and replaces the previously issued Final Rate Order but does not change the OEB's findings in the original Decision and Rate Order
