Dear Mr. Hesselink:

**Re: EPCOR Electricity Distribution Ontario Inc.  
Delay in Filing 2023 Cost of Service Application  
Ontario Energy Board File Number: EB-2022-0028**

This letter is in response to your letter dated April 19, 2022, informing the Ontario Energy Board (OEB) of a delay in the filing of EPCOR Electricity Distribution Ontario's 2023 cost of service application from April 29, 2023, to May 27, 2022.

Per the OEB's letter dated [December 1, 2021](#), that provided the schedule for the filing of 2023 cost of service applications, EPCOR Electricity Distribution Ontario's application was expected to be filed with the OEB by April 29, 2022. While the OEB appreciates the challenges identified by EPCOR Electricity Distribution Ontario in preparing its application, please be advised that any delays to the filing of EPCOR Electricity Distribution Ontario's application could affect the timing of the OEB's final decision in this matter.

Any questions regarding this matter should be directed to [Kevin Mancherjee](#), Manager, Major Rate Applications and Consolidations.

Yours truly,

Nancy Marconi  
Registrar
