Good Afternoon,

I am writing with regard to our previous discussions about the new section of pipeline Sun-Canadian has proposed to install at the East Sixteen Mile Creek crossing. We are wondering if you could just confirm that your family is willing to enter into an agreement with Sun-Canadian for a new easement and section of pipeline on your property.

The various permits we are seeking to do this require us to provide evidence that the property owner has agreed to the work. This NOT a commitment to or acceptance of any of the details or financial compensation we have discussed – merely an acknowledgement that you have agreed to the new easement on the property. A formal agreement will be drafted and reviewed with you prior to the start of any work.

The property in question is [REDACTED] Trafalgar Road, Milton, Ontario. [REDACTED]. PIN [REDACTED]

The location of the new easement and pipe was shared with you in the Narrative Appraisal Report by Antec Appraisal Group.

Could I ask that you just respond to this email indicating your intention to work with us on this project? Please let me know if you have any questions or concerns.
