Dear Nancy Marconi:

**Re: Enbridge Gas Inc. (Enbridge Gas)  
Ontario Energy Board (OEB) File No.: EB-2021-0148  
2022 Rates Application (Phase 2 – Incremental Capital Module Funding  
Request) – Reply to OEB Staff’s Comments on Draft Rate Order**

---

On April 21, 2022, Enbridge Gas filed its Draft Rate Order reflecting the findings of the OEB in its Decision and Order on April 12, 2022 (revised April 20, 2022) in Phase 2 of the 2022 rates application – Incremental Capital Module Funding (ICM) request. As per the Decision, the ICM unit rates in the Draft Rate Order are based on an effective date of July 1, 2022 to be implemented in conjunction with the July 1, 2022 QRAM application.

The OEB invited comments from OEB staff on the Draft Rate Order. OEB staff has reviewed the draft rate order along with the supporting schedules and is satisfied that the rate schedules appropriately reflect the OEB’s Decision in this proceeding and the ICM unit rates have been appropriately calculated.

Enbridge Gas agrees with OEB staff’s comments on the Draft Rate Order.

Please contact the undersigned if you have any questions.

Yours truly,
