Attention: Nancy Marconi, Registrar of the OEB Ontario Energy Board 27th Floor, 2300 Yonge Street Toronto, ON M4P 1E4

Dear Registrar:

RE: EB-2022-0086 – Enbridge Gas Inc. – Dawn to Corunna Replacement Project CAEPLA-DCLC Intervention Request Letter – Our File No. 27883

We are the lawyers for the Canadian Association of Energy and Pipeline Landowner Associations ("CAEPLA") and its subcommittee, the Dawn Corunna Landowner Committee ("DCLC"). We are writing to request intervenor status and cost award eligibility in the above noted proceeding under the name CAEPLA-DCLC.

CAEPLA-DCLC and its interest in this proceeding

CAEPLA is a federally incorporated not-for-profit organization representing landowners from across Canada. CAEPLA has been at the forefront of active engagement with pipelines companies and federal and provincial regulators to develop new and better right-of-way agreements, construction and remediation methodology, and compensation provisions to address the impacts of pipeline construction and operation on agricultural landowners. CAEPLA and its regional associations have intervened on behalf of landowner members in many federal and provincial regulatory hearings.

CAEPLA's membership includes a large of number of individual landowners directly affected by Enbridge Gas Inc.'s Dawn to Corunna Replacement Project (see enclosed Schedule "A" property listing). In this proceeding, directly affected landowner members intend to participate under the DCLC sub-committee of CAEPLA and to attempt to ensure that the environmental and socio-economic impacts of the proposed project are properly assessed and addressed by Enbridge Gas Inc. and the OEB.

CAEPLA has previously intervened in OEB Leave to Construct Application processes on behalf of landowners directly affected by Union Gas Limited (now Enbridge Gas Inc.) projects. One of CAEPLA's founding member organizations, the Gas Pipeline Landowners of Ontario ("GAPLO"), has also previously intervened in a number of Union Gas Limited (now Enbridge Gas Inc.) Leave to Construct Application

processes. In its proposed intervention, CAEPLA-DCLC will draw on its extensive knowledge and experience in addressing the effects of proposed Union Gas Limited (now Enbridge Gas Inc.) projects.

None of CAEPLA, GAPLO or DCLC is a frequent intervenor before the OEB.

Nature and scope of CAEPLA-PLC's intended participation

CAEPLA-DCLC intends to participate actively in the proceeding by submitting interrogatories, evidence and argument. CAEPLA-DCLC requests that an oral hearing, preceded by a written discovery process and a settlement conference, be held in this matter so that it will have the opportunity to cross-examine Enbridge Gas Inc.'s witnesses and fully test Enbridge's evidence in support of its application.

Cost award

CAEPLA-DCLC requests a determination by the Board that it is eligible for a cost award in this proceeding. CAEPLA-DCLC primarily represents an interest or policy perspective relevant to the Board's mandate and to this proceeding (the interests of pipeline landowners) and its membership includes persons with an interest in land that is affected by Enbridge Gas Inc.'s application (see enclosed Schedule "A" property listing). The ability of CAEPLA-DCLC and its landowner members to participate in this proceeding (for which the assistance of legal counsel and possibly expert consultants is required) is dependent upon a determination that CAEPLA-DCLC is eligible for a cost award.
