Dear Mr. Myers:

**Re: Wataynikaneyap Power LP (Watay Power LP)
Application for 2023 Electricity Transmission Rates Application
OEB File Number: EB-2022-0149**

This letter is in response to your letter dated May 11, 2022, requesting the Ontario Energy Board (OEB) withhold its letter of completeness until after Watay Power LP is in a position to file an update to part of the application prior to the issuance of Procedural Order No. 1. In your letter you state that Watay Power LP will advise the OEB on the timing of the update.

As a result, the OEB will not commence the processing of Watay Power LP's application at this time. The OEB will consider next steps related to the processing of the application after more information on the timing of the update is provided.

Please direct any questions relating to this application to the Case Manager, Michael Price, Senior Advisor, at 416-440-7632 or Michael.Price@oeb.ca.

Yours truly,

Nancy Marconi
Registrar
