Attention: Ms. Nancy Marconi, Registrar

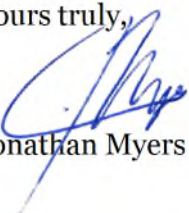

Dear Ms. Marconi:

Re: Wataynikaneyap Power LP - Application for Approval of 2023 Electricity Transmission Rates (EB-2022-0149)

We are legal counsel to the applicant, Wataynikaneyap Power LP (WPLP), whose application in the above-referenced proceeding was filed on April 28, 2022. We are writing to request that the OEB withhold its letter of completeness in respect of WPLP's application at this time. As indicated in the application, WPLP plans to file an update to part of the application prior to issuance of the first procedural order. WPLP is not currently in a position to file the update within that timeframe. WPLP will request that the OEB continue to process the application by issuing the letter of completeness at such time that WPLP determines it will be able to file the update prior to issuance of the first procedural order (i.e. within approximately 1 month thereafter).

If you have any questions, please do not hesitate to contact me at the number shown above.

Yours truly,

Jonathan Myers
