Dear Ms. Miller:

**Re: Procter & Gamble Inc.  
Application for an Electricity Wholesaler Licence  
OEB File Number EB-2022-0147**

The Ontario Energy Board (OEB) received Procter & Gamble Inc.'s application for an electricity wholesaler licence on April 18, 2022. The OEB has assigned file number EB-2022-0147 to the application. The application will be decided by an employee of the OEB who has been delegated this authority pursuant to section 6 of the *Ontario Energy Board Act, 1998* (Delegated Authority). The Delegated Authority intends to make a decision on the application without holding a hearing.

The OEB has preliminary reviewed your application. Your application is currently incomplete and cannot be processed until the following has been filed:

**1. Intended Markets and Services, Section 8, pg. 5:**

According to the IESO's website, the applicant is listed as an active market participant. Has the applicant already begun wholesaling operations within the IESO-administered market? Please confirm.

If not, has the applicant received IESO prudential requirement approval to conduct wholesaling operations? If so, when did the applicant receive IESO prudential requirements?

The OEB will resume processing your application once the above information has been filed. If the above information is not filed within 30 days of the date of this letter, the OEB may close the file for this application.

Once your application is complete, the Delegated Authority expects to issue a final decision on your application within 60-90 days.

In the event the Delegated Authority decides to deny or otherwise modify the relief you requested in your application, you will be given an opportunity to provide comments. The Delegated Authority will consider your final comments, if any, prior to issuing a decision and order.

Please file an electronic version in Word and in searchable Adobe Acrobat (if available) of the additional material with the Registrar. Electronic copies should be e-mailed to [registrar@oeb.ca](mailto:registrar@oeb.ca).
