Ontario Energy Board
2300 Yonge Street
27th Floor
Toronto, ON M4P 1E4

Attention: Nancy Marconi, Board Registrar

Dear Ms. Marconi:

Re: Hydro One Networks Inc.'s Custom IR Application (2023-2027) | Board File No. EB-2021-0110 | OSEA's Areas of Focus and Time Estimate for Technical Conference on Application Update

Pursuant to Procedural Order No. 5 dated April 14, 2022, please note that the Ontario Sustainable Energy Association ("OSEA") will focus at the Technical Conference on:

- ♦ the impact of the shift from APO 2020 to APO 2021 CDM estimates
- ♦ CDM/Energy Efficiency impacts on Appendix A (related to Hydro One's response to O- OSEA-007), and
- ♦ inflation impacts on CDM and Energy Efficiency spending.

OSEA estimates that it will require 30 minutes for questions at the Technical Conference.

Yours truly,

Raeya Jackiw

cc: Dan Goldberger, OSEA
